Dear Secretary:

We subscribers of Bell South wish to address your public notice DA 96-1190, CC Docket No. 96-159 Released: July 26, 1996, as it relates to Bell South Telecommunications Inc. petition NSD-L-96-7.

We subscribers of the areas indicated in the afore petitions, have gone before the North Carolina Utility Commission and petitioned for the EAS as provided by North Carolina Law. The Commission has directed that Bell South comply and provide the service requested.

In that we are a metropolitian area, and we feel that the areas are a natural area for local calling service in that it is restrictive to trade and service for these areas to be subject to long distance tariff, we request that you look favorably on the petitions submitted by Bell South and provide the authority that is required.

Sincerely,
